

Spring 2011

Dear Friend,

The 2011 Warner Fall Foliage Festival is scheduled for **October 8 and 9, 2011**. The WFFF is committed to giving back to the community, and as a part of that mission, awards grants for deserving projects in the Warner area.

Each year thousands of dollars from Festival proceeds go to community organizations and projects, all thanks to the hard work and commitment of the many volunteers who donate their time and energy. Warner organizations contribute hundreds of hours of volunteer time assuring the Festival's continued success.

A prerequisite of requesting funding is to be a local organization that participates actively in that year's Festival.

Additionally, and as per the festival bylaws:

1. Requests for funding must be submitted to the Request Review Committee by June 30<sup>th</sup> prior to the Festival.
2. The funds to be allocated from the Fall Foliage Festival shall be used toward awarding funds to build or purchase a specific tangible project excluding any and all operating expenses. Requests shall be solicited from the membership, considered by the Request Review Committee and presented to the Board of Directors with recommendations. The membership will vote on each request at a public meeting.
3. Proceeds allocated to specific projects shall be disbursed only for the intended purpose, and if not expended for such purpose by December 1st of the following year, shall revert to the Corporation for reallocation by vote of the membership at a public meeting.

If you have any questions please contact the "Funding Requests Coordinator" via our website at [www.wfff.org](http://www.wfff.org). or leave a message at our main number 603-456-9775. Your call/e-mail will be returned as soon as possible.

Thank you,
